# ABOUT US

NM Medical Supplies is a South African-based provider of high-quality surgical and medical products, delivering essential healthcare solutions to public hospitals, private clinics, and emergency responders across the continent.

Driven by clinical excellence and practical reliability, we ensure that every glove, gown, and instrument we supply meets stringent international standards - without compromising on affordability. From lifesaving equipment to everyday disposables, our products are trusted by frontline professionals to perform when it matters most.

Our mission is simple:

To supply what matters most - safely, efficiently, and affordably.

# SURGICAL DRAPES & GOWNS
